YOUTH WATERFOWL HUNTING WORKSHOP

This workshop is designed for kids that have NOT waterfowl hunted before. It is geared toward 7-14 year old youth and their **required** accompanying adult.

Workshop participants will rotate through activity stations that will demonstrate a variety of beginner concepts regarding waterfowl hunting.

Participants will leave with a goody bag and clear direction on how to become successful waterfowl hunters.
Lunch will be provided.

Participants may also be eligible to participate in the Ottawa National Wildlife Refuge Youth Waterfowl Hunt.

Registration is required. Space will be filled first come first served, with priority given to individuals who have NOT waterfowl hunted before.

(selected participants will be notified)
